We wish to welcome you to our small community, offering roads without cars and exciting sea-fishing and diving opportunities. The setting is completed by a breathtaking scenery and skerries!

Cozy Holiday Apartments among the skerries!

A cluster of twin units located by the sea. All units have two levels - the ground floor has the living areas with under-floor electric heating.

All units are comfortable and well equipped with modern appliances. There are three bed rooms containing a total of six beds on the first floor. The ground floor consists of entry hall, bathroom and a L-shaped kitchen/dining/lounge area. The kitchen includes electric oven and hot plates, dish washer, crockery and cutlery. This opens to the dining area, which in turn flows to the lounge with satellite TV. From the lounge/dining area, glass doors open to a private patio with outdoor furniture.

During the holiday season a 4.5 metre boat with a 4 h.p. outboard motor is included in the tariff.
